

WHAT NOW? ACT.

Philanthropic Leaders & Foundations

Relevant facts:

- On both State and National assessments, roughly 65% of Georgia's children cannot read proficiently.
- Literacy is a key social health determinant, impacting all aspects of our society.

What you can do:

- Share information about language acquisition and structured literacy with your grantees.
- Work with your grantees to write specific goals around reading proficiency for every child based on the science of reading.
