

WHAT NOW? ACT.

Teachers & Other Educators

Relevant facts:

- Structured Literacy Approach is essential for 50-60% of students, valuable for 90% of students.
- Roughly 30% of children will learn to read without direct and systematic literacy instruction.
- Phonemic Awareness, Phonics, Vocabulary, Fluency & Comprehension are required for proficient reading and writing

What you can do:

- Learn more, and share research with your school and district leadership
- Request Structured Literacy PD and the time/space needed to implement.
- Share structured literacy resources and opportunities with colleagues.
- Explore www.coxcampus.org a free, professional learning community.
